

## **PETERBOROUGH YACHT CLUB**

### **Notes For Guidance For Those Applying For Membership**

Thank you for your interest in the Club. The Committee of Peterborough Yacht Club is happy to consider applications for full membership, but applicants must be aware that there may be no prospect of being able to berth their boats at the club in the immediate future.

Peterborough Yacht Club has many of the facilities of a marina, but it does not charge the annual fees of a marina. This is because the facilities are provided by the members who undertake to assist in the running of the Club as a condition of their membership.

Please consider how you could play your part in running the Club – at the bottom of the page is a list of suggestions.

The Committee wish to bring to the attention of all applicants that:

- Full membership is confirmed after a year's probationary period.
- Any person purchasing a boat at the Club, not being a full member, must remove the boat from the Club until full membership is obtained.
- There may be a waiting list for moorings.
- That the larger the boat the longer the wait will be.
- That the club has very few moorings suitable for boats between 45 and 55 feet.

FULL ACTIVE MEMBERS ARE EXPECTED TO PUT IN WORKING HOURS FOR THE CLUB  
20HRS PER COUPLE (WHICH EITHER OR BOTH CAN DO) OR 10HRS PER SINGLE MEMBERSHIP  
FAILURE TO DO SO WILL INCUR AN CHARGE OF £200 PER COUPLE OR £100 SINGLE MEMBER  
(Concessions are available: e.g. age, disability, illness etc)

Below are some of the things you may be able to assist the Club with.

- Work parties – these help to maintain the Club facilities and grounds. Large projects can be successfully completed if enough members are willing to help regularly over a short period.
- Staffing the bar – there are always people about who will help you when you start. Doing a turn on the bar is a very good way of meeting members, and of getting yourself known.
- Maintenance, e.g grass cutting, hedge trimming, litter picking, painting, electrical, plumbing, carpentry.
- Administration
- Entertainment – helping at social events
- Health & Safety

Or perhaps you have other talents which could help make Peterborough Yacht Club an even better Club.

A deposit of £50 must be paid when this application is sent to the Secretary.

The entrance fee                      £250 for Joint Membership.  
    £125 for a Full (Single) Membership.  
    £55 for Associate Membership.

Annual subscriptions for 2022 are: Joint £79.20, Full (single) £52.80, Associate £39.60. A fee of £350 is charged when a mooring is first allocated, plus annual fees for 2022 of £6.00 per foot on overall length of your boat and attachments.

A key and fob to the Club premises is LOANED against a deposit of £25.00.

Proof of residence is required at interview (e.g. a recent utility bill).

The Committee expects spouses/partners to be Joint Members.

Associate Membership is reserved for:

- Members of another A.N.R.C. Club
- Members' children on reaching 18 years of age.
- Members' friends/family who are regular crew.

The Committee prefers applications to be proposed by an existing member but will consider applications supported by a character reference from applicants new to the area. The Secretary, on request, will provide guidance on the procedure for unsponsored applicants.
